## Calendar

Thessalon is pleased to announce that the "North Channel" has been chosen to participate in the Healthy Kids Community Challenge. The "North Channel" is one of 45 communities across Ontario that will be working with the province to promote healthy eating, physical activity and healthy lifestyle choices for children.

The area group of communities, referred to as "North Channel" consists of Macdonald, Meredith and Aberdeen Township, Township of Laird, Township of St. Joseph, Township of Johnson, Town of Bruce Mines, Township of Plummer Additional, Town of Thessalon, Thessalon First Nations, Central North Unorganized Regions, Municipality of Huron Shores, Town of Blind River and Mississauga First Nations.

The "North Channel" will receive up to \$825,000 from the province over the next three years, which will be used to help develop and deliver programs, build on current initiatives and address community needs.

Under the leadership of the Town of Thessalon, in partnership with the government of Ontario, the Project Manager for Healthy Kids Community Challenge, Susan McGregor will lead, coordinate and monitor the planning and implementation of all community activities for the "North Channel" that will support the themes of Healthy Kids Community Challenge.

The goal of the Healthy Kids Community Challenge is to support the well-being of our children. It will help create communities where it's easy for children to lead healthier lives. Supporting initiatives to help children and youth grow up healthy is part of Ontario's Action Plan for Health Care and is a key component of the Healthy Kids Strategy.

If you want to get involved or want more information, please contact Susan McGregor at [susan.thessalon@bellnet.ca](mailto:susan.thessalon@bellnet.ca)
