Waterfront Regeneration Trust is honoured to announce that the Great Lakes Waterfront Trail has been recognized by the Ontario Ministry of Tourism, Culture and Sport (MTCS) as offering the very best that Ontario trails have to offer. On behalf of the Board of Directors, we congratulate our amazing partners for this recognition because you make the Trail possible.

We are very proud of the designation and hope that you are as well. It should assist our collective efforts to promote the Trail and fulfill its tourism potential for our communities.
