PAPERLESS

The Town of Thessalon is now offering our customers the option of going paperless for water and sewer billing. Please access our website at **thessalon.ca** and register today. Once you access our website you will see the blue button located at the top right of the screen that says “view e-bills”. You will be required to have your account number which is your water and sewer account number located below your address on the left side of your paper bill and your pin number which is located on the top left corner of your paper bill under the Town of Thessalon’s address.

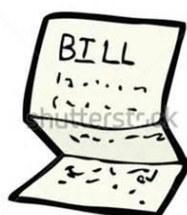

Please visit our website for more information to set up your account for paperless billing. If you require assistance you can contact MaryKaye at the Municipal Office at 705-842-2217.

For those still wishing to receive their bill by mail, a charge of \$2.00 will be applied to any water and sewer account not set up for paperless billing by January 31, 2017. This charge will be applied to offset postage fees.
