WATERING REGULATIONS

Under By-law No. 1803, property owners with even numbered street addresses can water on even-numbered days of the week and those with odd-numbered addresses are able to water on odd-numbered days, during 7 a.m. to 9 a.m. and 7 p.m. to 9 p.m.

FIRE PERMITS

Fire permits must be purchased at the Town office for all open burning between April 1 and October 31 at a cost of \$5.00 per month. Permits will not be issued during a fire ban.

SUMP PUMP

Residents are reminded that sump pumps are not allowed to be pumping into the Town's sewer system. Lagoon levels are high and sump pumps that are pumping into the sewer system are a contributing factor.

RECYCLING CALENDAR AVAILABLE

The 2018-19 recycling calendar is now available on our website at thessalon.ca or at the municipal office.

Please remember that the following are NOT accepted in the recycling: Styrofoam of any kind (meat trays are no longer accepted), plastic bags or film plastic, motor oil containers, toys or packing plastic, and gift wrapping paper.

A friendly reminder that Town garbage bins/cans are not to be used for household garbage.

PROPERTY STANDARDS BY-LAW

Please keep your yards maintained in accordance with the Town of Thessalon Property Standards By-law, as non-compliance will result in an Order to Remedy being issued to the property owner. Please help us keep our Town attractive.
