

TOWN OF THESSALON

Annual Status Report

The Town of Thessalon strives to ensure a fully accessible environment for all persons with disabilities, and will continue to build upon and improve its practices in addition to ensuring that it meets the accessibility needs of persons with disabilities in a timely manner, consistent with the specific requirements of the AODA and its regulations.

Roadway Improvements

The Frances Street project has resulted in smoother surfaces enabling improved accessibility and enhanced travel.

Social Media Policy

A Social Media Policy was developed in 2019 governing the use of social media which has increased our ability to communicate.

Website Upgrades

The Town is planning the launch of a new website early in 2020 that will offer a more modern, convenient and user-friendly approach to accessing information.

As indicated in our Accessibility Plan, monitoring continues on an on-going basis to ensure that existing barriers are removed and steps taken to prevent future barriers.
