ONLINE SURVEY

Residents from the Town of Thessalon are invited to take part in an online survey that will result in the development of the North Shore Community Safety and Well-Being Plan. This is part of a collaborated effort with the Municipality of Huron Shores, the Town of Blind River, the Town of Spanish, and the Township of the North Shore. The North Shore Community Safety and Well-Being Plan will strengthen how we collaborate with partner organizations serving residents living in our region and will provide a community of support for committees already tackling the important issues that impact safety and well-being across the North Shore. The survey can be found at <https://www.surveymonkey.com/r/TF3ZXFH>.
