Freon Round Up

The Tri-Neighbours Board of Management Freon Appliance Round-Up continues to run until Saturday, September 30, 2023. Freon appliances include, but are not limited to, refrigerators, freezers, air conditioners, de-humidifiers, etc. Freon appliances can be brought to the Transfer Sites located in the Town of Bruce Mines and the Town of Thessalon and the Waste Management Site (Landfill) on East Line Road during normal operating hours. A Sticker must be purchased and applied to the appliance to be accepted in the sites. These stickers are available at the transfer sites and the landfill site from the Site Attendant for a fee of \$20.00 each. This fee will cover the cost of removing the Freon from the appliance. All doors must be removed from appliances by owner prior to bringing into the sites.

Volunteers Drivers Needed

Volunteer drivers for the Town of Thessalon are needed for transportation services that are now available Monday to Friday in Thessalon for seniors and persons with a disability. As a driver you can expect to be reimbursed for mileage. The program is offered through the Dr. H.S. Trefry Memorial Centre. Call (705) 246-0036 to volunteer or email transportation@trefrycentre.ca.

Thessalon – Did you know?

The expansion of the Huron Shores Family Health Team to incorporate Thessalon, Bruce Mines and Richards Landing was a vital step towards helping to resolve the healthcare crisis in our community. The funding received allows for more positions to be hired which include: nurse practitioners, registered nurses, registered practical nurses, and social workers creating a more diverse and supportive healthcare team. The Family Health Team also provides much-needed administrative support to clinic physicians. The Town of Thessalon Council advocated, met with local representatives and facilitated important Ministerial delegations in order to help facilitate this expansion. The Town will continue to work with their partner municipalities as well as the North Shore Health Network and the Family Health Team as we build from this important foundational step towards physician recruitment. Stay tuned for opportunities for community members to get involved.
