Winter Emergency Preparedness starts at home

Emergency Response starts with you; it is recommended that each home have an emergency kit and it should have everything you and your household would need to be safe and take care of yourselves for at least three days immediately following an emergency.

What should you include in your 72 Hour kit?

- Non-perishable food: minimum three-day to one-week supply, with a manual can opener
- Water: four litres per person, per day for drinking and sanitation
- Phone charger, power bank or inverter
- Battery-powered or hand-crank radio
- Battery-powered or hand-crank flashlight
- Extra batteries
- First-aid kit and medications
- Personal toiletries and items, such as an extra pair of glasses or contact lenses
- Copy of your emergency plan
- Copies of important documents, such as insurance papers and identification
- Cash in small bills
- toilet paper and other personal items
- sanitation items
- Seasonal clothing, sturdy footwear and emergency blanket
- personal protective equipment (PPE) such as medical masks
- Whistle
- Help/OK Sign: Display the appropriate side outward in your window during a disaster.
