Water and Sewer Rate Review

Please note that a review of the current water and sewer rates will take place with potential rate adjustments to be presented to Council at a future meeting.

Water and sewer rates have remained unchanged since 2016 (water) and 2019 (sewer). This review is being undertaken in response to rising operating costs to support the continued sustainability and reliable operation of these essential services.

Upcoming Closures

The Thessalon Municipal Office will be CLOSED Monday, August 3, 2026 for the Civic Holiday and will be closed on Monday, September 7, 2026 for Labour Day.
